How's the economy?

In the second quarter of 2015, the Juab County job market added jobs at a healthy growth rate. In March 2015, year-over job growth stood at 8.6 percent and then moderated to 5.7 percent by June 2015. New jobs in construction, mining, healthcare and food services were the drivers of this strong growth. Manufacturing, trade/transportation, professional/business services all saw minor employment declines. The anticipated outlook for 2015 job creation is expected growth of around 3.0 to 4.0 percent.

Jobs

In June 2015, payroll jobs increased by 187 from June 2014, a strong year-over increase of 5.7 percent.

Four major industries accounted for the new jobs in June relative to a year-ago: construction (63), mining (49), education/health/social services (46), leisure/hospitality (33).

New local government jobs also made a significant contribution to overall employment growth by adding 30 jobs, most in education.
